In December of 2008 McDonald’s restaurants started serving cappuccinos, lattes, mochas and hot chocolate to customers seeking convenient specialty coffee selections. McDonald’s gourmet coffees are made with 100% Arabica beans and freshly steamed whole or non-fat milk. Lattes and mochas are available hot or iced. Cappuccinos and lattes are available in four decadent flavors: vanilla, sugar-free vanilla*, caramel and hazelnut. In addition to the variety of coffees, McDonald’s also offers a new premium hot chocolate topped with real whipped cream and a drizzle of chocolate.

McDonald's USA, LLC, is the leading foodservice provider in the United States serving a variety of wholesome foods made from quality ingredients to millions of customers every day. More than 80 percent of McDonald's 14,000 U.S. restaurants are independently owned and operated by local franchisees. For more information on the St. Louis/Metro East McDonald's Restaurants visit www.McDonaldsSTL.com or log on at any of the Wi-Fi enabled McDonald's restaurants.
